Heaven, or the heavens, is a common religious, cosmological, or transcendent place where beings such as gods, angels, spirits, saints, or venerated ancestors are said to originate, be enthroned, or live. In 1965 I was 15 and I got a book about meditation and to cover your body in vibrations. Well it took about a week and at the base of my spine I felt burst of vibration it felt like electricity. HEAVEN: Where It Is, Its Inhabitants, And How To Get There by D. L. Moody- Heaven cannot be compared with anything we know on earth. I don't want to go to heaven. Not that I'm lobbying for the other place . . . --Michael Wittmer This planet is more than just a stopover on your way to heaven.
