

Download Historical Anthropology Of The Family Pdf

Anthropology is the study of humans and human behavior and societies in the past and present. Social anthropology and cultural anthropology study the norms and values of societies. social anthropology ba sociology v semester core course 2011 admission university of calicut school of distance education calicut university p.o. malappuram, kerala, india -673 635 The concept of race as a rough division of anatomically modern humans (*Homo sapiens*) has a long and complicated history. The word race itself is modern and was used in the sense of "nation, ethnic group" during the 16th to 19th century, and only acquired its modern meaning in the field of physical anthropology from the mid 19th century. Anthropology offers the opportunity to study human existence in the present and the past and to explore how and why humans vary in their behaviors, cultures and biology.
