What does the word "apologetics" mean? The word "apologetics" is derived from the ancient Greek word apologia, which means, an apology. Not an apology in the modern sense of the word - which is to say you're sorry for something.
Thank you for this response. There's nothing wrong with choosing not to have children. I am not married and therefore do not have children. I keep getting told that older women should not have children because the Bible says to have children when you are young.
