

Download How Change Happens Duncan Green

About Duncan Green. Duncan Green is Oxfam GB's Senior Strategic Adviser. He teaches on international development at the London School of Economics, where he is a Professor in Practice. His blog is one of the most widely read on international development, and is named after his previous book to How Change Happens, From Poverty to Power. Society is full of would-be 'change agents'-campaigners, government officials, enlightened business people, engaged intellectuals-set on improving public services, reforming laws and regulations, guaranteeing human rights, achieving a fairer deal for those on the sharp end, and greater recognition for any number of issues. Society is full of would-be 'change agents'-campaigners, government officials, enlightened business people, engaged intellectuals-set on improving public services, reforming laws and regulations, guaranteeing human rights, achieving a fairer deal for those on the sharp end, and greater recognition for any number of issues. This is a conversational blog written and maintained by Duncan Green, strategic adviser for Oxfam GB, author of 'How Change Happens' and Professor in Practice at the London School of Economics. This personal reflection is not intended as a comprehensive statement of the agreed policies of either Oxfam or the LSE.
