“How to Rule the World from Your Couch is perhaps the greatest book ever written. Everyone that’s ruled the world has read it and it worked. Bill Gates, George Bush, Oprah. This week we work in a new way with Making Space. Let us commit together to Making Space in The Circle! Every time we are faced with clutter, challenge, intrusive thoughts or resistant behaviors, let us ask ourselves, what would I rather use this energy for. In her groundbreaking bestseller Practical Intuition, Laura Day showed how intuition--an instinctual knowledge we all possess about ourselves and what is best for us--can be the most effective tool for leading a fulfilled life. Gut feeling. Sixth sense. Hunch. No matter what it's called, intuition plays a part in the decisions we make every day. In seminars around the world, Laura Day has taught business people, financial analysts, celebrities, homemakers, doctors, lawyers, and other professionals how to consciously tap this hidden ability.
