Adventures of Huckleberry Finn (or, in more recent editions, The Adventures of Huckleberry Finn) is a novel by Mark Twain, first published in the United Kingdom in December 1884 and in the United States in February 1885. Revered by all of the town's children and dreaded by all of its mothers, Huckleberry Finn is indisputably the most appealing child-hero in American literature. Point of view is critical in this story about force. The external facts of the story are fairly simple: The doctor does what is necessary to diagnose a potentially fatal disease. ranger college dual credit stephenville high school stephenville, tx \_\_\_\_\_ course syllabus
