

# **Download Ib Biology Study Guides Allott**

This book is amazing. Took the HL IB biology exam this year and was afraid that this book wouldn't prepare me well enough because its an older edition but boy was I wrong. The only diploma program biology resource developed with the IB to accurately match the new 2014 syllabus for both SL and HL. This revised edition gives you unparalleled support for the new concept-based approach to learning: the Nature of science.
