

Download Ibn Saud King By Conquest

Born in the city of Riyadh, King Abdul Aziz Ibn Abdul Rahman Ibn Faisal Al Saud was brought up under the stringent care of his father. A group of contemporary scholars were assembled to teach him the fundamentals of Islam. House of Saud is a translation of Al Saud, an Arabic dynastic name formed by adding the word Al (meaning "family of" or "House of") to the personal name of an ancestor. King Abdulaziz (known in the West as Ibn Saud) began conquering today's Saudi Arabia in 1902, by restoring his family as emirs of Riyadh. He then proceeded to conquer first the Nejd (1922) and then the Hejaz (1925). History, news and books about royalty in Saudi Arabia.
