

Download Iconoclast A Neuroscientist Reveals How To Think Differently Gregory Berns

Iconoclast: A Neuroscientist Reveals How to Think Differently [Gregory Berns Ph.D.] on Amazon.com.

FREE shipping on qualifying offers. No organization can survive without iconoclasts -- innovators who single-handedly upturn conventional wisdom and manage to achieve what so many others deem impossible. Though indispensable Gregory Berns is a psychiatrist and this book is his contribution to the new field of positive psychology. As a result of Berns' background the work takes a heavily medical view, rather than a cognitive/behavioral view (as taken by authors such as Martin E. P. Seligman). Image Source. By Kelsey Fox. From detailed brain mapping to groundbreaking technology for quadriplegics, some exciting innovation is occurring in the field of neuroscience today. Social Action var med til at udvikle den sociale og bæredygtige vision for Korsgade og Hans Tavsens Park.
