The first and still the very best text on elder law, Tax, Estate & Financial Planning for the Elderly covers every aspect of elder law practice. Income Tax Law Compliance and Planning Pack (2018) by Peter Baker, Geoff Cliff & Sonia Deaner 15th Editions (January, 2018) Details This book is not available to purchase Permalink. Hi Lukas, For your understanding, let us assumed if the rental income for the previous year was Rs. 2,40,000 and Municipal Tax were paid Rs. 15,000 for the year. The distribution of pretax income in the United States today is highly unequal. The most careful studies suggest that the top 10 percent of households, with average income of about \$200,000, received 42 percent of all pretax money income in the late 1990s.
