Get this from a library! India and Iran : an assessment of contemporary relations. [Anwar Alam;] -- Papers presented at a national conference held at Jamia Millia Islamia. If the 'Newton Effect' in physics has an equivalent in international diplomacy, we can describe what is happening to India-Iran relations as the 'Gadkari Effect'. India and Iran have friendly relations in many areas, despite India not welcoming the 1979 Revolution. There are significant trade ties, particularly in crude oil imports into India and diesel exports to Iran.
