

Download Instant Memories Travel Ready To Use Scrapbook Pages

Ok so the design of this camera is super cute.! I mostly use an instax Fujifilm camera for my photos, but it's really bulky to tote around. The box my Kodak arrived in notes that the camera has 10 mp and came with a trial pack of film. Online shopping from a great selection at Software Store. ... Product Features... Album with 20 Pre-Designed Pages ready for your Photo's ~ What ...Looking for a little scrapbook inspiration? Here's 25 scrapbook ideas for beginners for some creative ideas to assemble your pages.
