

Download International Paper Foundation Grants

Company. International Paper is one of the world's leading producers of fiber-based packaging, pulp and paper, with 52,000 employees operating in more than 24 countries. Introduction This award scheme is intended to support postgraduate students and early-career researchers to present or co-present a paper in the field of the sociology of health and illness at an appropriate international conference outside the United Kingdom, by providing funding for registration, standard accommodation and travel costs. CIF became actively involved in the policy-making process by providing significant human resources to decision makers, developing a strategy document for health care and a strategic vision for the future. The IPPF provides patients & doctors worldwide with information about pemphigus and pemphigoid, & provides patients & their caregivers with comfort & support.
