Into the Hearts of the Amazons is part rousing travel adventure through a little-known world and part popular ethnography, exploring how Zapotec women earned their legendary status in a remote corner of southern Mexico. I can direct my attention into any direction, both seen and unseen. My attention (or, my awareness) can go into my feelings and experience joy and sadness. My attention can go into my imagination and imagine the experience of life in other worlds. My full attention can enter one area of experience, or it can be spread throughout many areas of experience... I AM an Awareness, which occupies human form to experience life as a human. I AM Awareness Being Human. Amazons in myth: History's first mention of a race of warrior women is found in Homer's ILLIAD, an account of the Trojan War, probably written in the 8th or 7th century B.C..
