Introduction. Technology abounds in schools and homes. Literacy technologies such as CD-ROMs or DVDs have been available to educators and parents for at least the past 30 years. On 15 December 2008, member states met in Jakarta to launch a charter, signed in November 2007, with the aim of moving closer to "an EU-style community". The charter turned ASEAN into a legal entity and aimed to create a single free-trade area for the region encompassing 500 million people.
