Introduction to Early Childhood Education, International Edition [Eva Essa] on Amazon.com. *FREE* shipping on qualifying offers. ABC Early childhood education often focuses on learning through play, based on the research and philosophy of Jean Piaget, which posits that play meets the physical, intellectual, language, emotional and social needs (PILES) of children. Power to the Profession. NEA working to Unify the Early Childhood Profession. Power to the Profession (P2P) is a two-year initiative to define the professional field of practice that unifies early childhood educators across all states and settings to enrich the lives of children and families. The Early Childhood Indicators of Progress (ECIPs) are Minnesota's early learning standards. Revised and expanded in 2016, these standards are a framework for a common set of developmentally appropriate expectations for children ages birth to kindergarten, within a context of shared responsibility for helping children meet these expectations.
