

Download Invader Zim 1 Jhonen Vasquez

Product description. Comic book artist Jhonen Vasquez's outrageous sci-fi spoof, which ran on Nicktoons at Night from March 2001 to December 2002, remains the object of a vociferous cult following. Jhonen Vasquez is a writer and artist who walks in many worlds, not unlike Blade, only without having to drink blood-serum to survive the curse that is also his greatest power (still talking about Blade here). Invader Zim is an American animated television series created by Jhonen Vasquez for Nickelodeon. The series centers on an extraterrestrial named Zim, from the planet Irk, and his mission to conquer Earth and enslave the human race along with his malfunctioning robot servant GIR. It was announced on February 20th, 2015 that OniPress had decided to partner with Nickelodeon and original creator Jhonen Vasquez to bring Zim back to life in the form of a comic book series, "arriving this July (1st)".
