

Download Invincible Iron Man Vol Civil

One of the best recent Iron Man titles. Fraction takes a rather well-tread idea (i.e. Iron Man facing off against a knock-off, tech-based baddie) and turns it into a solid character study of Tony Stark and his titular five nightmares. This collects issues 12 to 14 of the Invincible Iron Man. The writing by Bendis is great (both the plot and dialogue). It is a crossover book, so unless you read the very good Civil War II, you won't be able to follow much of this. Iron Man is a fictional superhero appearing in American comic books published by Marvel Comics. The character was co-created by writer and editor Stan Lee, developed by scripter Larry Lieber, and designed by artists Don Heck and Jack Kirby.
