

Download It's Your Attitude You Decide

The mind is your battleground. It's the space where the greatest and fiercest conflict resides. It's where half of the things you thought were going to happen, never actually happened. It's where your inner resistance buries you with negativity. And, when you allow these thoughts to dwell, they gradually succeed in robbing you of peace, joy ...In a kind of spooky experiment, scientists at the Max Planck Institute for Human Cognitive and Brain Sciences reveal that our decisions are made seconds before we become aware of them. In the study, participants could freely decide if they wanted to press a button with their right or left hand. The only condition was that they had to remember ...Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required.
