This item: [(Jade: With Over 600 Photographs of Jades from Every Continent)] [Author: Roger Keverne] [Jun-2011... Hardcover \$622.19 Only 3 left in stock - order soon. I wanted to learn about the fine points of jade quality, value of jades from various locales, why I can buy some white jade on the market for \$100 a pound and other white jade for \$10,000 a pound, how to determine the origin of rough jade, etc. This book is a landmark in the study of jade, as well as the most comprehensive photographic collection yet published. It combines in a single work the most contemporary jade research and opinion from the world's leading experts, with over 590 photographs of jades from every continent, the majority of which have never previously been published.
