A fajita (/ f ? ? h i? t ? /; Spanish:) in Tex-Mex cuisine is any grilled meat that is served as a taco on a flour or corn tortilla. The term originally referred to skirt steak, the cut of beef first used in the dish. Popular meats today also include chicken and other cuts of beef, as well as vegetables instead of meat. Chef's Note "This recipe comes from Jane Butel's Chili Madness cookbook. I tried several of her recipes, but after I tried this one, I didn't make another, because this was SO good!!
