Japanese difficult? Study boring? No way! Not with this “real manga, real Japanese” approach to learning. Presenting all spoken Japanese as a variation of three basic sentence types, Japanese the Manga Way shows how to build complex constructions step by step. A Dictionary of Basic Japanese Grammar is basically intended for 1st and 2nd year students and teachers of Japanese for whom the grammatical explanations from textbooks were not good enough. Opening Hours: Mon-Fri 9am - 5.00pm Sat 9am - 4pm We accept Visa, MasterCard, Load&Go (available from Australia Post outlets), cheque, money order. In other languages. According to Friedrich Nietzsche, in Greek, "oi" was an expression of pain, and someone who was in pain or miserable was said to be "oizuros". In Latin, the similar "oiei" was a cry of pain. Coincidentally, the term oi in informal Japanese is used in the same way as British English, typically by older men to subordinates; an ...
