Pressestimmen "Pratchett's writing is a constant delight. No one mixes the fantastical and mundane to better comic effect or offers sharper insights into the absurdities of human endeavour." Simply stated, this is one of Pratchett's best. He brilliantly skewers politics, warmongering, racism, engineering, time management, navigational terms, police work, and foreign customs, for a start. 9/11: "Jingo" by Terry Pratchett Back in the day, I randomly grabbed a copy of one of Pratchett's books as I bulked up my reading list for the next day when my vacation started. Sir Terry Pratchett was the internationally bestselling author of more than thirty books, including his phenomenally successful Discworld series.
