

# Download Journal Writing For First Grade

Whether you're looking for a new way to keep your 4th grade kids occupied on a rainy day or hoping to help your class branch out in their writing, journaling can be a wonderful tool to inspire and motivate kids to express their thoughts. Strategy. Introduce journal writing through reading aloud an illustrated picture book for younger students, or a chapter book for older students, that uses the journal or diary format. These are the perfect notebooks for little ones learning to write, or those who need more space than regular lined notebooks. The blank space at the top encourages writing because they're able to express themselves and make it pretty with their own illustrations. First Grade Writing Worksheets.
