

Download Kieli, Vol 1 Light Novel

What a fun new world to discover. A complex world which you learn about over the course of the book. A protagonist who starts off very closed off, but becomes more honest and sure of herself as the book goes on. Kieli sees ghosts. It's an odd ability for a 14-year-old girl, and it makes her a bit of an outcast at her boarding school. Her only friend, in fact, is the (semi-) departed spirit of a girl who used to inhabit her room. Kieli is a reclusive girl isolated by her ability to see ghosts. Her only friend is her "roommate," Becca, the precocious spirit of a former student still residing in Kieli's dorm.
