

Download Know Your Farm Machinery

Know Your Farm Machinery follows on from the successful publication of Know Your Tractors, Know Your Combines and Know Your Classic Tractors. This pocket-sized book details 43 types of farm machinery most commonly seen on farms today including ploughs, cultivators, drills, spreaders and balers. Dear Internet Archive Supporter, I ask only once a year: please help the Internet Archive today. Most can't afford to give, but we hope you can. We all fancy ourselves, at one stage or another, as a know-it-all when it comes to tractors and farm machinery. So, in order to separate the die-hard tractor fans from the think they know-it-alls we've come up with this quiz to test your knowledge. Tradefarmmachinery.com.au is Australia's leading classifieds brand and is the definitive guide to new and used tractors plus other farm machinery.
