See Chapter II.C.2.j for additional guidance on the mentoring and data management plan requirements for collaborative proposals. NSF will combine the proposal submission for printing or electronic viewing. The knowledge economy is the use of knowledge (savoir, savoir-faire, savoir-être) to generate tangible and intangible values. Technology, and in particular, knowledge technology, helps to incorporate part of human knowledge into machines. This knowledge can be used by decision support systems in various fields to generate economic value. Students choosing the Adult-Gerontology Acute Care Nurse Practitioner (AGACNP) program are prepared to provide and manage health care of the acutely ill and the critically or chronically ill adult patient in a wide range of settings. In addition to California State University, Sacramento's full accreditation by the Western Association of Schools and Colleges, the Master of Science in Counseling is also individually accredited by the Council on Rehabilitation Education (CORE) and the Council for Accreditation of Counseling and Related Educational Programs (CACREP).
