

Download Korean Food Made Simple Judy

Chef Judy Joo tells us about her new cookbook, "Korean Food Made Simple" and shows us how to make some delicious Korean recipes. Executive chef and food writer, Judy Joo is on a mission to show just how easy Korean cooking is. She shares her super-simple recipes from her indulgent Roasted Pork Belly to a Magical Chicken Ginseng Soup, perfect for entertaining, or even just for you. Back in her kitchen, Judy creates dishes inspired by her travels, putting her simple twist on 30 Korean dishes and showing just how easy it is to make Korean favourites with a few key Korean storecupboard ingredients. From Judy's ultimate crispy Korean fried chicken, and tender slow roasted Belly pork bossam, to meaty mandu dumplings and Kimchi fried rice, Korean food is all about sharing, perfect for family and friends.
