Etimologia del termine. La parola italiana libro deriva dal latino liber. Il vocabolo originariamente significava anche "corteccia", ma visto che era un materiale usato per scrivere testi (in libro scribuntur litterae, Plauto), in seguito per estensione la parola ha assunto il significato di "opera letteraria".

According to the libretto, the action of Tosca occurs in Rome in June 1800. Sardou, in his play, dates it more precisely; La Tosca takes place in the afternoon, evening, and early morning of 17 and 18 June 1800.
