

Download Leadership And Business Ethics

Praxisorientierung. Das Schrifttum zu Business ethics versteht sich häufig als Handreichung für das praktische Leben und ist oftmals appellativ. Should companies embrace the notion that profit and social purpose are both critical elements of business success? BlackRock CEO Larry Fink says 'Yes' – and big asset managers increasingly agree. This means that ethics is serious business. Ethical dilemmas are at least as hard to resolve as engineering problems, and at least as urgent, particularly in our complex and fast-moving world.
