Les Misérables is a 2012 musical drama film directed by Tom Hooper and scripted by William Nicholson, Alain Boublil, Claude-Michel Schönberg, and Herbert Kretzmer, based on the 1862 French novel of the same name by Victor Hugo, which also inspired a 1980 musical by Boublil and Schönberg. In 19th-century France, Jean Valjean, who for decades has been hunted by the ruthless policeman Javert after breaking parole, agrees to care for a factory worker's daughter. The very very best version of Les Miserables. This 1998 film made me a fan of Liam Neeson, which I believe established him as the heroic father. Background. Les Misérables was originally released as a French-language concept album, and the first musical-stage adaptation of Les Misérables was presented at the Palais des Sports in 1980. However, the production closed after three months due to that expiry of the booking contract.
