The novel's main text begins with the adult Pi speaking of his life after the story's main event. His suffering left him "sad and gloomy," but he continued his religious practices and zoological studies and slowly became happy again. He attended the University of Toronto and was a very good student. His religious studies thesis involved Isaac Luria's cosmogony theory, while his zoology thesis was about three-toed sloths. From a general summary to chapter summaries to explanations of famous quotes, the SparkNotes Life of Pi Study Guide has everything you need to ace quizzes, tests, and essays. Early in Pi's life, his father realizes that his son's naiveté about the tiger in their care may put Pi in danger. To illustrate how true and real the threat is, he forces the children to watch the tiger kill and eat a goat. Yann Martel: Life of Pi regardless of whether the history or the food is right. Your story is emotionally dead, that's the crux of it. The discovery is something soul-destroying, I tell you.
