This gives me some quick classroom ideas to tie in with the lessons. I teach 6th, 7th, and 8th grade Science and I have found great ideas for all grade levels. For anyone considering switching to Saxon Math from another math curriculum, we recommend printing a free copy of a Saxon Math placement test. There are five different tests to choose from. Correct educational placement testing is a key component to successful homeschooling. Alpha Omega Publications offers free math and language arts placement test resources for Monarch, LIFEPAAC, and Horizons curricula. A Christian homeschooling program provides students with the same subjects that are studied in school but integrate Christian values into the material covered.
