

# **Download Lively Literacy Music Activities Skill Building Word Play And**

This ILA brief explains the basics of phonics for parents, offering guidance on phonics for emerging readers, phonological awareness, word study, approaches to teaching phonics, and teaching English learners. If you are planning to purchase a literacy program for instruction, get as much information as you can about a program's benefits and effectiveness. AdLit.org is a national multimedia project offering information and resources to the parents and educators of struggling adolescent readers and writers. This page is a collection of links for parents and teachers. Topics are based on the curriculum for Kindergarten through grade five, although many pages will be of interest to older students. This page also includes a list of publishers and software companies.
