

# Download Living On The Autism Spectrum

We estimate that around 55,000 Victorians are on the autism spectrum, and around 250,000 Australians have the condition – although possibly undiagnosed. *Living Well on the Spectrum: How to Use Your Strengths to Meet the Challenges of Asperger Syndrome/High-Functioning Autism 1st Edition* The uniqueness of each person with autism makes the experience of living with autism different for each family. This section offers resources, information, services and community connections. Autism spectrum, also known as autism spectrum disorder (ASD) or autism spectrum condition (ASC), is a range of neurodevelopmental disorders that includes autism and related conditions.
