When Lone Wolf and Cub was first released in Japan in 1970, it became wildly popular (some 8 million copies were sold in Japan) for its powerful, epic samurai story and its stark and gruesome depiction of violence during Tokugawa era Japan. Lone Wolf & Cub Omnibus Volume 1 A very nice thick manga from Dark Horse Manga, over 700 pages of pure black and white action, intrigue, and self exploration in this book. Like a lot of people, I first became aware of Lone Wolf and Cub by watching Shogun Assassin. I was working in a movie store, and a regular customer would talk about martial arts and samurai movies with me regularly, and one day, he came in to lend me his copy of Shogun Assassin. Characters from the main storyline The Guardians The Band/Chaw of Chaws Soren. Soren is the main protagonist; a male barn owl, (*Tyto alba*), leader of "The Band".
