Lucy Rose has 63 ratings and 7 reviews. Carrie said: I liked this Lucy Rose book just as much as the other two I read, but my son definitely didn't, clai...I'M LUCY ROSE and here's the thing about friends: I am lucky in them. And here's the thing about that: sometimes they are in need, indeed, especially when one of them buys a plumbing store and needs to diva it up so it can turn into a bakery. Setting Main Problem My favorite part of this book was when Ashley got in huge trouble with the school and her parents. It was the most exciting part and it made you feel good for Lucy.
