

Download Madame Tussaud A Novel Of The French Revolution Michelle Moran Pdf

Madame Tussaud, or Marie Grosholz as she is through most of the novel, was in a unique position during the French Revolution that enabled her to be relatively close to the main thing that I did not like about this book was the cover. The world knows Madame Tussaud as a wax artist extraordinaire . . . but who was this woman who became one of the most famous sculptresses of all time? In these pages, her tumultuous and amazing story comes to life as only Michelle Moran can tell it. The year is 1788, and a revolution is about to begin. Q: How did you go about researching Madame Tussaud? A: I began with a trip to France, where nearly all of the novel takes place. Once there, I tried to visit the locations Madame Tussaud herself would have seen. Madame Tussaud promises to be a breakout book for this talented writer - a novel that is both a gripping fictionalized biography of an intriguing woman and a well-paced, illuminating chronicle of the French Revolution.
