Max Brooks World war z survival guide discussed many ways and tactics the reader could use in order to potentially survive the zombie apocalypse. Personally I enjoyed reading this book and found the knowledge within the book to be very helpful, and addressed many key points about how to survive. The survival guide is the outcome of the thought experiment that is world war z. The what, how, when, and where of survival. There is no plot, no characters, just survival advice. Not everyone is going to be able to get into it. Max Brooks Boxed Set World War Z The Zombie Survival Guide Free Download File 37,14MB Max Brooks Boxed Set World War Z The Zombie Survival Guide Free Download I suggest you read The Zombie Survival Guide first, then transition to World War Z right away. You will see the connection. Also, World War Z is nothing like the movie currently in theaters. I saw the movie first, and actually enjoyed the book more.
