Modern culture tends to separate medicine and miracles, but their histories are closely intertwined. The Roman Catholic Church recognizes saints through canonization based on evidence that they worked miracles, as signs of their proximity to God. The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The 700 Club features Christian testimonies of miracles, healings, and other inspirational stories.
