

Download Microeconomics Lesson 2 Activity 26

Answers

A fun worksheet asking students to find the stations on the HS2 route by answering true or false questions, estimate future demand for rail travel and consider the advantages and disadvantages of HS2. This exam includes some parts all of the quizzes I offer but you may purchase separately if desired. [This lesson was originally made for a citizenship lesson to encourage students to think about disabilities and their prejudices. It was done as a classroom lesson, but could easily be adapted for use in assembly. Few things affect the day-to-day lives of everyone more than the economy. In this lesson, you'll learn about economics, including some of its foundational topics and concepts.
