ATTP 3-39.20 (FM 3-19.50) POLICE INTELLIGENCE OPERATIONS July 2010 DISTRIBUTION

RESTRICTION: Approved for public release; distribution is unlimited. Police Intelligence Operations (PIO), is intelligence led, intelligence directed and intelligence driven policing. As one of five of the United States Army Military Police Corps primary functions, PIO encompasses the maneuver and mobility; internment resettlement; area security; and law and order functions of the Military Police (MP). Through ...Preface ATP 3-39.20 is aligned with FM 339- , the Military Police Corps Regiment foundational publication. It provides guidance for commanders and staffs on police intelligence operations (PIO). The military police intelligence function heightens the situation awareness of not only the MP Commander but also the Commanders of the adjacent units/supported unit if any and the Command. So far in our Indian military environment the military police was never involved with HUMINT operations.
