LHB's Tom Cook Retires. December 6, 2018. Minnesota and Wisconsin (IMMEDIATE RELEASE) – The leader of LHB's Industrial and Survey Groups, Tom Cook, will retire January 2, 2019 after 33 years as a civil engineer and construction manager. CSWE is seeking a Research Specialist to join our team of professionals passionate about research and social work education. The Research Specialist will conduct and disseminate research in order to strengthen the position of social work within higher education, the national political environment, and the perception of the public. If you'd like to learn more about why I avoid consuming GMO's, please click [HERE](#) & you will be brought to another part of my page which has more info, videos & a link to join more than 1.4 million Americans in signing a petition to ask our government to require labeling, like 64 other nations have! However, the Turbo Draft siphon option allowed each rig to carry a water siphon making all water points accessible without the expense of installing and maintaining fixed draft points. The siphons make the use of time consuming labor intensive hard suction hose unnecessary for almost all operations.
