

Download Missed Diagnoses Myalgic Encephalomyelitis Chronic Fatigue Syndrome Second Edition

Hillary Johnson in Osler's Web does an excellent job of documenting how chronic fatigue syndrome (CFS) is an extremely disabling illness. For example, on page 364 of Osler's Web, she reports that Dr. Philip Peterson, an infectious disease specialist, sought to assess how bad of a disease was CFS. Coping with chronic, rare, and invisible diseases and disorders (and disabilities) • This shopping feature will continue to load items.
