

Download Modern Korean Fiction An Anthology

Modern Korean Fiction has 39 ratings and 2 reviews. Adam said: This is an excellent anthology which shows the overall flow of modern Korean literature. To represent the past century of Korean fiction, this definitive collection extends beyond familiar writers, challenges cultural norms, and crosses political borders. To fulfill university requirements, I took a Korean Lit class in which I enjoyed reading this anthology. I'm neither Korean nor a humanities major of any kind, but I enjoyed learning about the Korean culture, history, and literature through this collection.
