Mohammed and Charlemagne Revisited: The History of a Controversy Author: Emmet Scott I'm looking forward to read this book. Scott has included tons of archaeological data in the book to support his thesis that the fall of the classical civilization was because of the Islamic caliphates and not barbarian invasions. In Mohammed and Charlemagne Revisited historian Emmet Scott reviews the evidence put forward by Hodges and Whitehouse, as well as the more recent findings of archaeology, and comes to a rather different conclusion. For him, the evidence shows that classical civilization was not dead in Europe at the start of the seventh century, but was actually experiencing something of a revival. Populations ...
