4. Naptime: Phase it Out if Possible. If your child is still a napper, it might help to start phasing that out before kindergarten begins – especially if your child will be attending all-day kindergarten. Child development stages are the theoretical milestones of child development, some of which are asserted in nativist theories. This article discusses the most widely accepted developmental stages in children. In this table, the number in the first column refers to the episode's number within the entire series, whereas the number in the second column indicates the episode's number within this particular season.
