

Download Monologues Of A Pediatric Surgeon

“Monologues of a Pediatric Surgeon” is not only a book by an eminent surgeon, but also a book of a great teacher and philosophical doctor. It shows impressively how important our specialty is for the community, families and children, and additionally names and analyzes the challenges we have to face and manage in this wonderful profession. The book is recommended not only for the senior and experienced pediatric surgeons, but also for the younger generation of pediatric surgeons. "Monologues of a Pediatric Surgeon, is an illuminating account of a preeminent pediatric surgeon's perseverance and persistence in challenging dogma.
