

Download Montana S Charlie Russell Art In The Collection Of The Montana Historical Society

This first comprehensive biography of Charles M. Russell examines the colorful life and times of Montana's famed Cowboy Artist. Born to an affluent St. Louis family in 1864, young Russell read thrilling tales of the West and filled sketchbooks with imagined frontier scenes. As a fan of Charlie Russell art, I had seen the info on this Catalog Raisonne and thought it was just another book on Charles M Russell. There are many, many books on him and his marvelous western art. The oral history collection inventory is in order by call number and provides name of interviewee and interviewer, biographical information, date of interview, project (if applicable), restrictions, and materials available for each interview (i.e. transcript, time index, newspaper clippings, etc). East/West Visions: Scott Christensen & Quang Ho Through January 20, 2019 – Temporary Exhibition Gallery. This exhibition brings together two of the country's top landscape painters, highlighting both the similarities and differences in their styles.
