the really really hard part is that fo3 used factions where fnv uses reps. so instead of going up and down a scale of like/dislike on things, you'd just get added and removed from friendly and enemy factions. The Dogosse Giar-class is a fictional battleship class utilized by the Titans in the Mobile Suit Zeta Gundam anime series. In the Mobile Suit Gundam Unicorn novel/OVA series and the Mobile Suit Gundam Narrative movie, the General Revil serves the Earth Federation as flag ship of the EFSF orbital...Author notes.
